** A "sibling" is defined in this policy as a full or half brother or sister, an adopted brother or sister, a step-brother or sister or a foster brother or sister. For the avoidance of doubt, the children of extended family members (for example, cousins) or friends will not be a sibling for the purpose of this policy.

Order of Allocation

The order in which places will be allocated in each of the categories above will be by reference to the distance the child lives from the school, with those living closest to the School receiving highest priority. A straight line distance is used for home-school measurement. Distances are measured using a computerised mapping system to decimal places. The measurement is taken from the address point of your child's house to the address point of the school. This data is a nationally recognized method of identifying the location of schools and individual residences.

Tie Breaker

Where two or more children live an equal distance from the School, random allocations supervised by someone independent of the School will be used as a tie-breaker to determine the order in which places are allocated.

Child's Home Address

For the purpose of this policy, the child's home address will be the residential address at which the child lives and sleeps for more than 50% of their time from Monday to Friday during term time. It will usually be the address at which the child is registered with their GP and dentist. Business addresses will not be accepted. The child must be living at the address at the time of application and is anticipated to be living there at the time of admission.

Where an issue arises, the Trust Board reserves the right to seek supporting evidence that the residential address stated in the application for admission meets this definition before the child is admitted.
