The most effective way to structure notes

The 3 levels of acquiring knowledge and how to implement this with your child at home

The power of deliberate practice and the fastest way for your child to improve their marks.

IMPORTANT:

Car Parking:

Please do not drive up Park Road at drop off/pick up without prior agreement from the school. We now have barriers in place in the car park, access during drop off and pick up is strictly by pre-

- ◁ Adults should also try to stay home when unwell and if you do have to go out, wear a face covering.
When unwell don't visit healthcare settings or visit vulnerable people unless urgent.
- ◁ Remember that flu vaccination is still available for all eligible groups and is the best protection against the virus. We have seen good uptake in older age groups but vaccination among young children remains low. Flu can be very unpleasant and in some cases can lead to more serious illness. Getting your child vaccinated protects them and others they come into contact with, and it's still not too late.

SAFEGUARDING:

It has come to our attention that there is "A game" being circulated via Facebook to children which contains several different actions for them to complete, including the encouragement of self-harm and hurting others.

Whilst many of our children will, I am sure, be confident in ignoring these messages, I am also conscious that around the country there have been several incidents where dares via social media have led to a child's death.

have children on roll with severe nut allergies so it is important that we all keep this in our awareness.
