We aim to be out on the playground 5 minutes before the whistle and all out at the end of the day. At both times, we are there for those quick chats and answering queries you may have.

The Contact page can be used, selecting the correct years groups and staff will respond in a reasonable amount of time. Please don't wait until Parents' Evenings as that could be a few months.

I hope this has recently been much improved.

There are set In-Service Training (INSET) Days which are important to ensure we are, as professionals, up-to-date with the latest practice and all on the same page.

We do however ensure dates are published well in advance. By all means, raise it where best and we will do what we can to help/respond.

Children are all encouraged to be independent as appropriate for their age/stage. We encourage children to go to the toilet at breaks but if they need to go, they will be allowed. For the child's dignity, we do not want any child having an accident. Neither is it something staff enjoy cleaning up.

Some children ask to go simply because a friend has. We will always try to respond appropriately to the individual needs of the children and staff do so, having an insight into those that ask when they maybe should not be asking.

There is no favouritism, although from an external perspective, it may seem otherwise.

Thank you to all that contribute. You are thanked with discounts and free opportunities. Some are not in a position to contribute and that is fine. Those that are will contribute in other ways.

Lunches are good the overwhelming majority of the time. There will be occasional issues but reports of food being cold, uncooked or running out is usually inaccurate with various staff going late for lunch and it being warm and still available.

Lunch menus change termly. Please use the Lunch contact form for ideas should this still appear not the case.

Mr Kite and Mr Linnett are usually out as doormen but if absent, of course come out and open the door where needed. Sometimes staff need to deal with/organise things last minute (including queries from parents) but they will be out as soon as possible.

Please do stay in the car and let staff open the rear doors (child-locked) as this speeds the drop-off up.

Noted.

Please come and share ideas at a Coffee Meeting (monthly) or the Contact page. The more specific the feedback, the better we can make it.

?

Homework should be uploaded other than on very rare occasions. Please get in touch next time it is not.

If clubs are cancelled it is because there is no option other than to do so. Staff run clubs as a matter of good will without pay.

We hope we do. Much happens behind the scenes you will be unaware of and we will not share for reasons of confidentiality. If you think there is an issue, speak to your child's class teacher and they will investigate and respond to it. They will not however tell you what is happening with another parent's child.

Agree. Please help us to link up with any you know.
